PLEASE SIGN AND RETURN THIS FORM TO THE PROJECT MANAGER AFTER YOU READ AND UNDERSTAND THE RULES.

I have read (or had read to me) the MSD Safety Manual and agree to follow the safe working rules it contains.

I understand the adherence to these rules is not to be considered by any individual as a contract or guarantee of a subcontract or future subcontracts.

I further understand and agree that violation of safety practices including failure to use personal protective equipment could result in your employee's permanent removal from a project or all of MSD's projects.

- PPE required at all times on all jobs
 - Hard Hats
 - Safety glasses
 - Steel toe shoes

I understand my responsibility to familiarize myself with the provision of this handbook. In the event that I lose my copy of the safety handbook I understand that I can download a replacement copy from the MSD website.
