### SUBCONTRACTOR SAFETY MANUAL ACKNOWLEDGEMENT FORM

PLEASE SIGN AND RETURN THIS FORM TO THE PROJECT MANAGER AFTER YOU READ AND UNDERSTAND THE RULES.

I have read (Or had read to me) the MSD safety handbook and agree to follow the safe working rules it contains.

I understand the adherence to these rules is not to be considered by any individual as a contract or guarantee of a subcontract or future subcontracts.

I further understand and agree that violation of safety practices including failure to use personal protective equipment could result in your employer's permanent removal from a project or all of MSD's projects.

- PPE is required at all times for all jobs.
  - Hard hats
  - Safety glasses
  - Steel toe shoes

I understand my responsibility to familiarize myself with the provision of this handbook. In the event that I lose my copy of the safety handbook, I understand that I can receive a replacement copy from MSD.
